How to designate your United Way donations to the UNM Lobo Food Pantry

1. When you have entered the United Way website via MyUNM, in Step 2 (Donor Information), you will enter how much you plan to give. At the bottom of this page, you have the option to give to “Other Nonprofits.” Click this option before continuing.

2. On the next page, you will scroll to the bottom until you reach the box depicted below with a button labeled “Other Nonprofits.” You will click that and then continue.

3. You will then be given the option to search for a nonprofit agency. In the Agency Name field, type “UNM Food Pantry” and then click “Search.”
4. You will then see a list of agencies to which you can donate, and the UNM Food Pantry should be the first option. Click the “Select” button next to the UNM Food Pantry.

5. You will then have the option to donate to other nonprofit agencies if you so choose, or you can finalize your contribution.
